RE: TANK MAINTENANCE WORK

Dear Neighbor,

As you are probably aware, MIPC, LLC operates and maintains the Tank Farm along Cherry Tree Road. We are writing to inform you of upcoming maintenance activities scheduled to take place at the facility.

Beginning Monday, November 17, 2025, through Friday, December 12, 2025 (excluding weekends and holidays), MIPC will be performing maintenance work on two Tanks. During this period, you may notice higher than normal noise levels associated with this work.

We understand this may cause some inconvenience and sincerely appreciate your patience, cooperation, and understanding as we complete this necessary maintenance to ensure the continued safe and reliable operation of the facility.

If you have any questions or concerns regarding this project, please contact me at 610-364-8442 or Darnell.Carroll@monroe-energy.com.

Thank you for your understanding and support.

Sincerely,

Darnell Carroll
