Dear Neighbor,

As the work at our Chelsea Tank Farm progresses, we are writing to further inform you that we will be performing investigatory work in the front yards of a select number of homes along Chichester Avenue. As part of that process, you may see some equipment and hear noise from these activities for a limited duration at some point this week.

If you have any questions about our ongoing work, please contact us at 610-364-8426 or via email at MIPC1@monroe-energy.com or visit our website at www.chelseatankupdates.com.

Thank you, and we appreciate your continued understanding.

Sincerely,

MIPC
