

Chelsea Tank Farm Gasoline Release Virtual Public Meeting

What Happened:

MIPC is currently working to remediate an underground gasoline leak that was confirmed at our Chelsea Tank Farm, located at 920 Cherry Tree Road, Aston Township, PA 19014.

Public Meeting Details:

In coordination with the Pennsylvania Department of Environmental Protection, MIPC has scheduled a second public meeting. The purpose of this meeting is to update the public about the ongoing progress and remediation efforts and to answer questions from the public.

Date & Time:

Tuesday, July 7, 2026
At 6:00PM

To Participate:

Please email **MIPC1@Monroe-Energy.com** to receive the virtual link for the meeting.

The meeting link will be emailed three days in advance of the meeting to everyone who signs up to attend.

Participants are invited to pre-submit questions by emailing **MIPC1@Monroe-Energy.com**.
