Re: MIPC LLC Office Hours in Aston Township

Dear Mr. Brown:

Please accept this letter as confirmation that the Aston Township Board of Commissioners believes that office hours in Aston Township related to the fuel release at 920 Cherry Tree Road are no longer necessary. The Board over the course of the past five (5) months there has been only one person who has appeared at the Township for MIPC's office hours, and that person is aware of and has participated in MIPC's office hours at other facilities. While we understand that this is part of MIPC's public improvement plan, the Board of Commissioners would be comfortable if DEP elected to relieve MIPC of this obligation.

Sincerely,

A handwritten signature in blue ink that reads "Michael J. Higgins". The signature is stylized with a large, looping flourish at the end.

Michael J. Higgins, President
Aston Township Board of Commissioners
